

The Health Cloud Solution for Home Care Agencies

"Finally a home care management solution that's easy to use and is up and running quickly on the industry-leading Salesforce platform."

Key Features

- Manage sales process for home care agencies
- Manage caregiver recruitment
- Locate and match caregivers with clients by geography
- Manage client information
- Track clients and their family relationships
- Caregivers manage and track their schedule
- Track caregiver credentials
- Integrated telephony support to log client calls
- Reporting and dashboards

Home Care Agency Management

Home care providers are a critical component of our society. Our Health Cloud Live Accelerator Package helps home care agencies to efficiently manage their sales, their clients, their caregivers and their recruitment process.

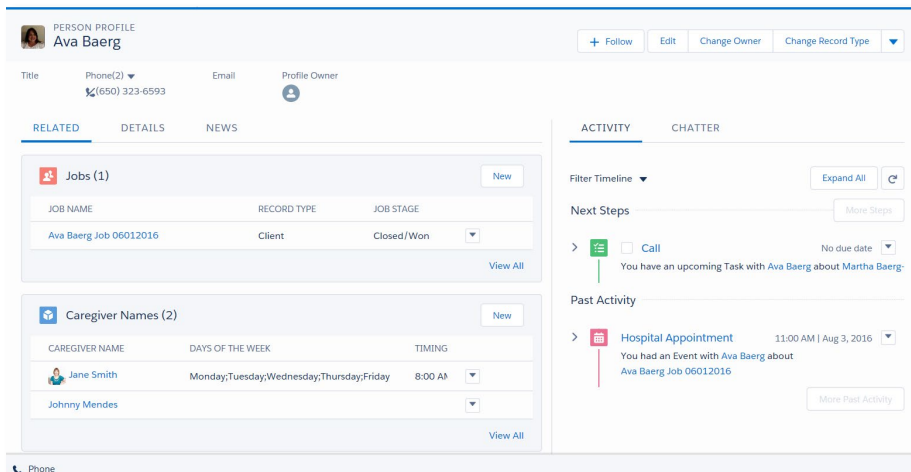

Built on the industry-leading cloud platform from Salesforce, the Health Cloud Live Accelerator Package can be installed quickly and does not require additional investment in hardware or software.

Sales and Marketing

Manage your sales and marketing process, track your contacts and activities and win more business with the leading CRM tool. Leverage clear reports and dashboards to stay on top of your business.

Client and Caregiver Management

Track caregiver and client information and their relationships, schedules, tasks and daily activities. Rate caregivers and manage their skills and expertise.

The screenshot displays a Salesforce-style profile page for 'Ava Baerg'. At the top, there are buttons for '+ Follow', 'Edit', 'Change Owner', and 'Change Record Type'. Below the profile name, there are fields for 'Title', 'Phone(2)', 'Email', and 'Profile Owner'. The 'Phone(2)' field shows '(650) 323-6593'. The page is divided into 'RELATED' and 'ACTIVITY' tabs. Under 'RELATED', there are two sections: 'Jobs (1)' and 'Caregiver Names (2)'. The 'Jobs (1)' section contains a table with columns for 'JOB NAME', 'RECORD TYPE', and 'JOB STAGE'. The 'Caregiver Names (2)' section contains a table with columns for 'CAREGIVER NAME', 'DAYS OF THE WEEK', and 'TIMING'. The 'ACTIVITY' tab shows a 'Next Steps' section with a 'Call' button and a 'Past Activity' section with a 'Hospital Appointment' entry dated 11:00 AM on Aug 3, 2016.

JOB NAME	RECORD TYPE	JOB STAGE
Ava Baerg Job 06012016	Client	Closed/Won

CAREGIVER NAME	DAYS OF THE WEEK	TIMING
Jane Smith	Monday;Tuesday;Wednesday;Thursday;Friday	8:00 AM
Johnny Mendes
